## COMMUNITY SHARED SOLAR

### Request for information

I request that Hill Electric Supply Co Inc contact me about the discounts off of my electric bill that are available through Community Solar.

Hill Electric Supply will only use the copy of your electric bill to verify eligibility and determine the best project. You will be provided the results of our research so that you can sign up for the project that offers the largest discount.

Return to [kirks@dale-electric.com](mailto:kirks@dale-electric.com) or [scotts@dale-electric.com](mailto:scotts@dale-electric.com)

1. This completed form
2. The first page of your utility bill (for residential customers)
3. For non-residential customers, please send the first 3 pages of your utility bill.

National Grid customers can sign up anytime. We will let you know when the program is available for other utilities.

Community Solar is a New York State program supported by NYSERDA. Customers who sign up for this program save 5%-10% off of their electric bill.
